MEMORANDUM FOR: Director, Office of Congressional Affairs

FROM:

Director of Training and Education

SUBJECT: Executive Seminar

1. Your support and participation in the Executive Seminar are genuinely appreciated and contribute to its success. The talk you gave to the most recent running of the Executive Seminar was especially well received. It is important that the new SIS officers come to a better understanding of the complexities involved in dealing with Congress, but beyond that develop a deeper appreciation of the need for Congressional support if the Agency is to accomplish its mission.

2. My staff and I are grateful for what you have done on so many occasions to make the Executive Seminar a worthwhile learning experience for the new SIS officers. I hope that we can call on you again.

Thanks for the help !
